

## Luke chapter 7

**A** centurion's sick servant, the dead son of a widow, sinfulness of a woman - these all feature in today's chapter. The Lord Jesus showed His power over sickness when He healed the centurion's servant, His power over death when He raised the young man to life and His power to forgive sins when He forgave the woman. Today we can each experience His power to forgive when we trust Him as Lord and Saviour. The One Who went about doing good when He lived on earth as a man, the One Who suffered, bled and died on the cross, the One Who rose in triumph is still alive today and still has the power to save. The Bible says:

*Believe on the Lord Jesus Christ and you will be saved.*
